*The Best
of
Times*

"Seniors sure are the best!" -G. Romanoski, C. Patrino, B. Clark.

"The senior guys are going for the gold."

Mighty Firestone High, alma mater from astronauts to accountants with more to come from the Class of '85. Perhaps there will be a president or a Broadway star. Only time will tell. One thing is certain though, Firestone had a hand in their good fortune.

From the administration and super teachers, to hard work and great times, there is something for everyone and everyone for something - namely the pride Firestone evokes in every student and faculty member that walks its halls.

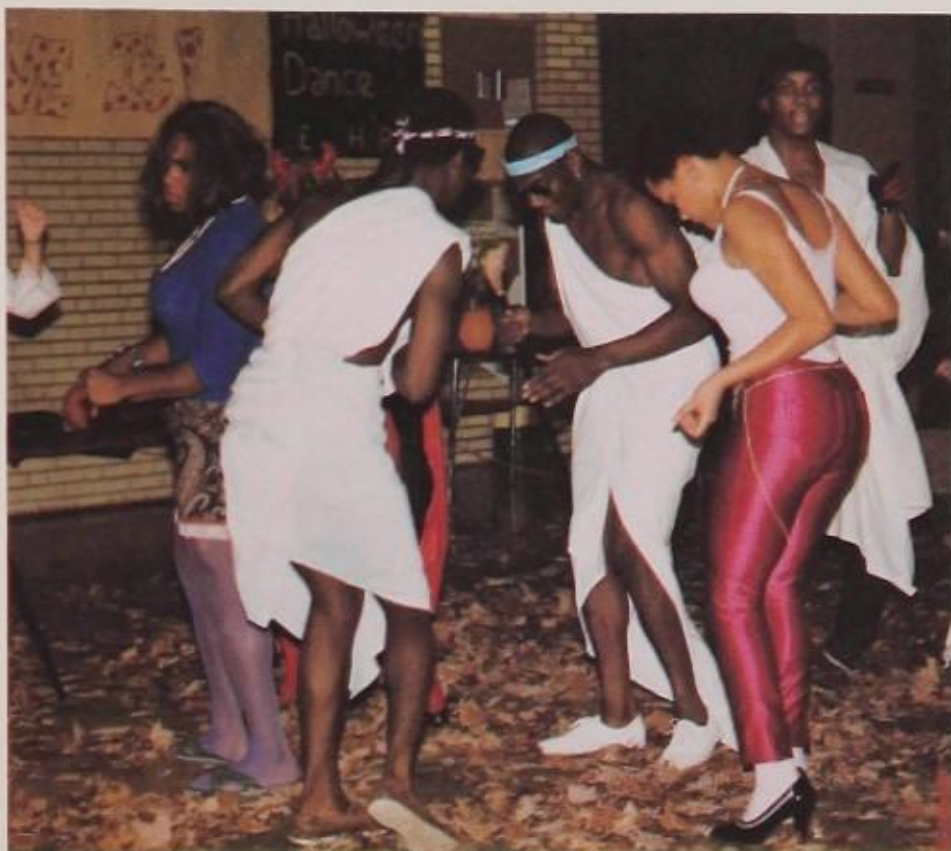

To the Class of '85: the best of times are here and now. Reach for your dreams!

"Go ahead, make my day," proclaim C. Campbell, M. Wood, K. Deuser.

T. Larimore always ends up on the top of the heap, R. Childress, M. Leff, B. Renner, J. Axner, H. Heslop.

A Time to Study

"R. Comanor, are you cheating?"

Behind every great math test, every grueling research paper, and every great report card, there is the word "STUDYING". what most people fail to see is that behind every great football play, every great pike dive, and every great wrestling pin, there is also studying. To excel in every aspect of school, studying is the vital ingredient, be it logarithms or touchdown passes. You see the grades and you get the free days. Next time you get another slice of happiness, think of the work put behind it.

A Time to Play

The tone for the end of ninth period on a Friday rings, classroom doors swing open, and the students are free for another weekend of fun activities. Whether it's off to a Firestone football game and a Big Mac afterward, or preparation for the Valentine's dance, or even study parties for exams, students at the mighty FHS know that when teachers start nagging there is always fun to come . . . and schoolmates to share it.

P. Balfe receives help from J. Hutzler and M. Huron.

There have been many topics for discussion, praise, and complaints as the 1984-85 year progressed for the Juniors. We were ushered too quickly into the busiest year of our high school lives as we were forced to meet the challenges of harder work, active organizations, tougher homework assignments and other demands on our time. Mrs. Jacobs and Mr. Roberts warned us early to prepare for PSAT's and SAT's; college applications became crucial, and our GPA is now a

key number in our lives. "Homework, homework, gimme a break!" became a popular motto for book-laden Juniors burdened with the weight of the academic world on their shoulders. Good times were not forgotten as posters

The Class of '87 entered their sophomore year with the ease of knowing their way around Firestone and with the unity they acquired their first year here. Classes, teachers, and homework fell into place at the beginning and allowed the sophomores to enjoy their other activities. '87's spirit came to be praised by faculty members at pep assemblies and envied by the other classes. They further demonstrated positive attitudes of their union by

The challenges of the year were many, as sophomores faced tougher exams, a whole year of gym classes, and many prepared for and received driver's licenses. Part of the fun, however, was completing all of these, and most members of the Class of '87 will say, "The best is yet to be!"

Golf Team Goes To State

Team Placed Eighth In Finals

Firestone's 1984 golf team achieved what no other Firestone golf team had achieved for 16 years. They placed third in districts on October 12, qualifying them for state competition on the prestigious Scarlet Course at Ohio State University.

Captain Steve Parker was a medalist at districts coming in with a two over par, 72. This award is the first of its kind ever won by a F.H.S. golfer.

Five members of the team competed in the Columbus state tournament. Seniors Steve Parker, Chris Cusimano, and Brett Munchik; junior John Mercer; and sophomore Scott Allen.

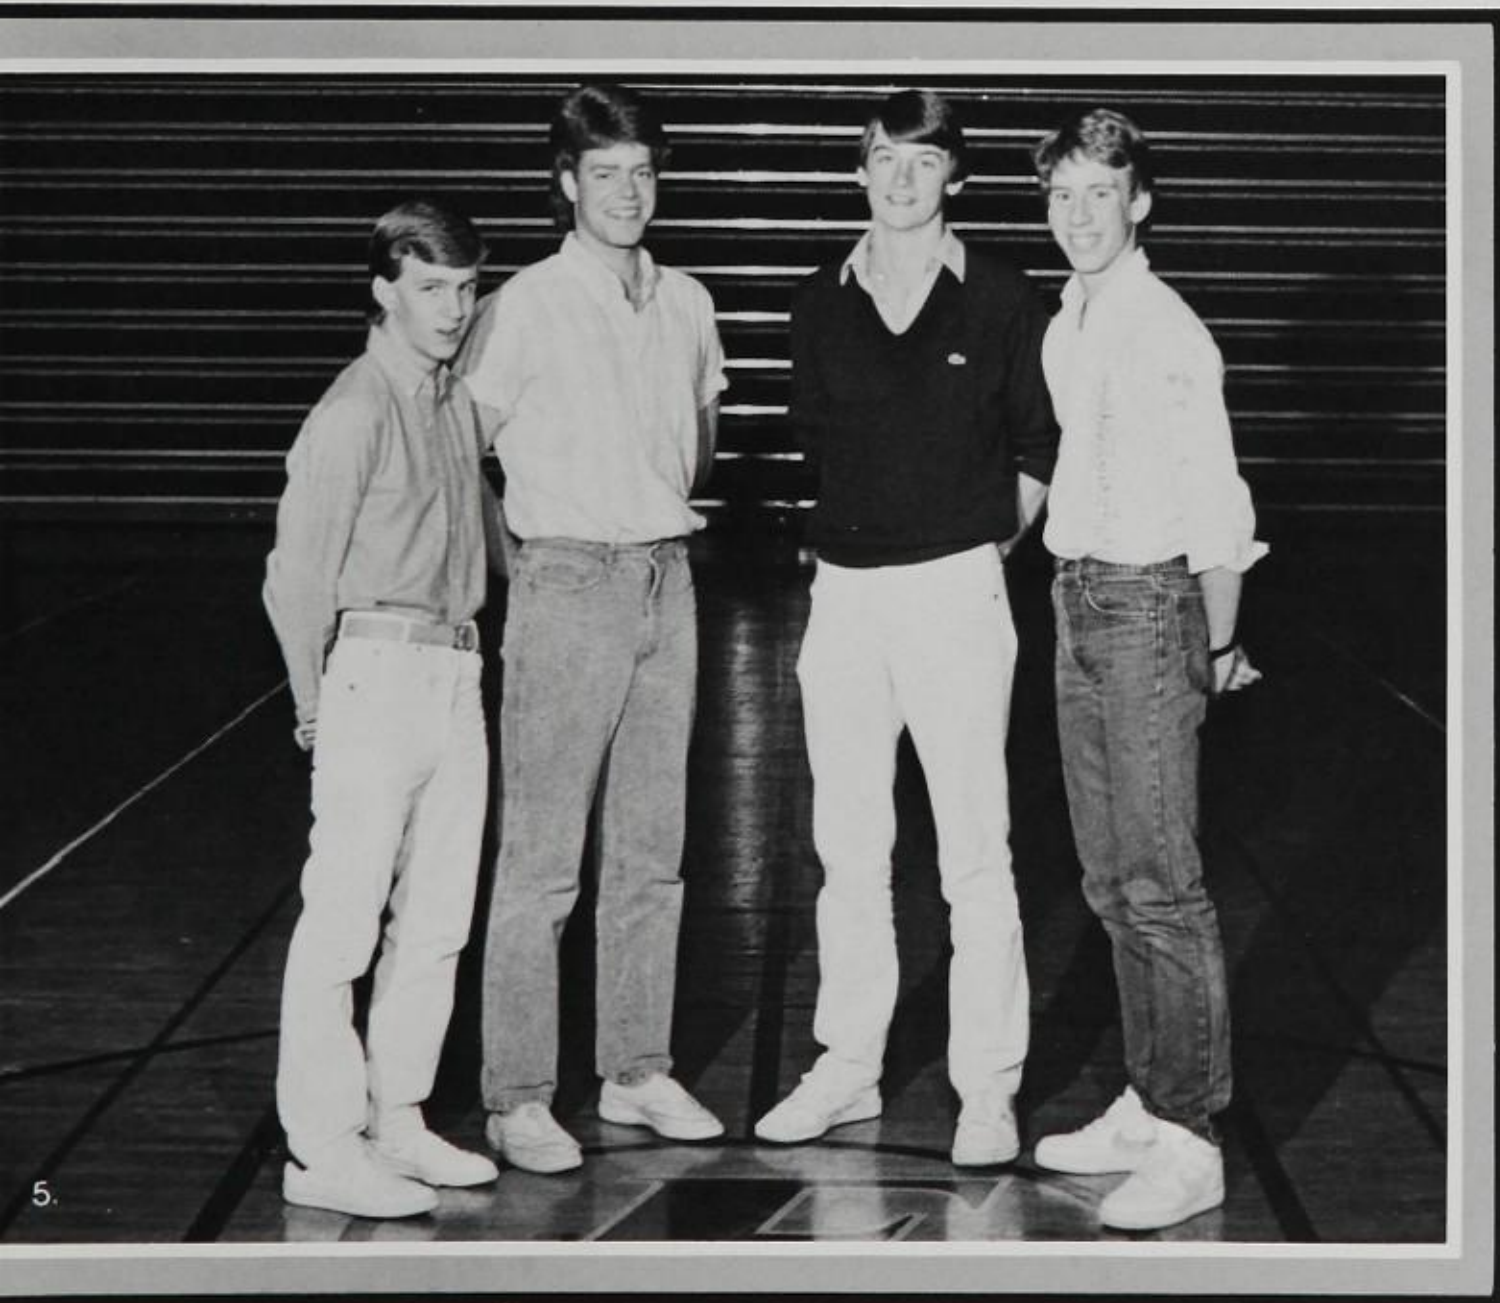

Only 12 AAA class teams out of 268 can qualify for state competition. Out of these 268, Firestone finished tenth. In final state competition, Firestone came in eighth.

Steve Parker placed fourth in state with an individual score of 78, six over par. Steve was upset with the state turnout. He said, "I didn't play to my potential. I lost my temper, got down on myself, and played bad."

Mr. Don Nutter, the team's coach and math teacher here at Firestone, described the season as gratifying, "but there was inconsistency and more dedication was necessary." Coach Don Nutter believes that this team ranks among the top three golf teams in Firestone's history. The seven members of the golf team have had what Coach Nutter considers a "good, but disappointing season, in that not all expectations were reached on occasion."

Out of 19 teams at the sectional golf tournament, F.H.S. placed second. At the district tournament, the winning score was 314. Firestone scored 316 for a third place finish out of a field of 21 teams. This qualified the team for the state tournament.

Several members of the team graduated this year, but Coach Nutter says, "the four returning members will be a super nucleus to begin next year's team."

1. Senior C. Cusimano after a long, hard day on the course. 2. Senior B. Munchik demonstrates the perfect stroke. 3. Sophomore S. Allen studies his shot intently. 4. Junior J. Firestone

Falcons clash with the Garfield Rams.

Another late game takes its toll on C. Greene and M. Eisenhart.

A less than successful season awaited the Firestone Falcon's football team, but even off-seasons have their highlights! The season kicked off with three rapid fire wins, and all were by margins of at least fourteen points! Throughout the season the outstanding talent of Renardo Managan (affectionately known as "Pooh") lifted the team and their spirits. Unfortunately the remainder of the season did not equal the heroics of the first part, and the team finished with a (3-1-5) record. On the whole, however, the Falcons can be proud of their efforts and confident of a successful future at Firestone.

Which way did he go?!

A defeat by the Buchtel Griffins did not dampen the Falcon Homecoming festivities on October 13, 1985. Gail Godard was crowned Queen by Amy Meckler in front of a large crowd, and court attendants. This year's season brought many firsts to the girls' tennis team. This was the first year to send five girls to districts, the first year to bring back a trophy, and the first year to send a doubles team to state. Laura Joondeph and Sue Wiedie brought home a trophy for Doubles runner-up at Districts. Kim Gannon also played very well in Districts as a singles player.

The team finished the season with a 13-8 record. According to Coach Sappenfield, this was a typical season.

Firestone Girls Having A Ball!

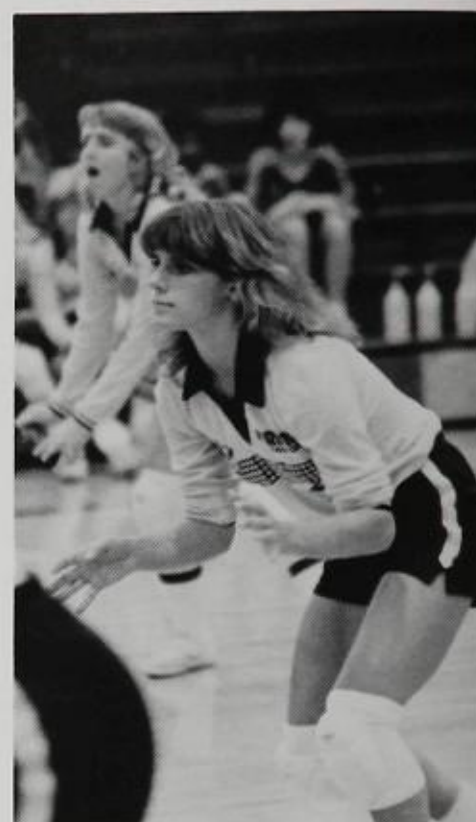

This year the varsity volleyball team proved it had talent. The team was considerably younger than the previous ones; there were only two seniors starting. However, captains Pam Pepke and Shannon Kelly used their experience to guide the others.

Proving they could handle their competition, the team went off to face Hoban, a team ranked in state. Though they lost the game, they put up a fight. They won the second match 16-14.

The end result was third place in city. That was a step up from last year's fourth place and a proud accomplishment for the team.

That's not a basketball, Chris Uecke!

Rick Childress concentrates.

Firestone soccer took quantum leaps this year as captains C. Uecke and R. Childress led the team to an impressive second place finish in the city, only losing a very physical game against Garfield. The team also managed to head and kick their way to a semi-final spot in the Sectional Tournament. Despite injuries and other assorted difficulties, Firestone's soccer team had a very successful season. Coming from such a young and talented team, we couldn't have asked for more.

Champs

The FHS varsity wrestling team had a year of records and outstanding accomplishments. For the first time ever, the team won the city series championship, went undefeated, placed second in the district and sent three wrestlers to state competition.

"At the beginning of the year, we set some lofty goals; to win city, to be first or second in districts, to be in the top five in regionals and to be in the top ten in state. All of those goals were better than any Firestone team has done before," said head coach Ron Laubaugh.

The JV wrestling team, coached by Bob Conley placed first in the city JV tournament, and went 6-1 in dual meet competition. The freshmen team, coached by Ed Garcia, was 8-1.

Coach Laubaugh accepts the city championship plaque at the assembly.

Wrestling

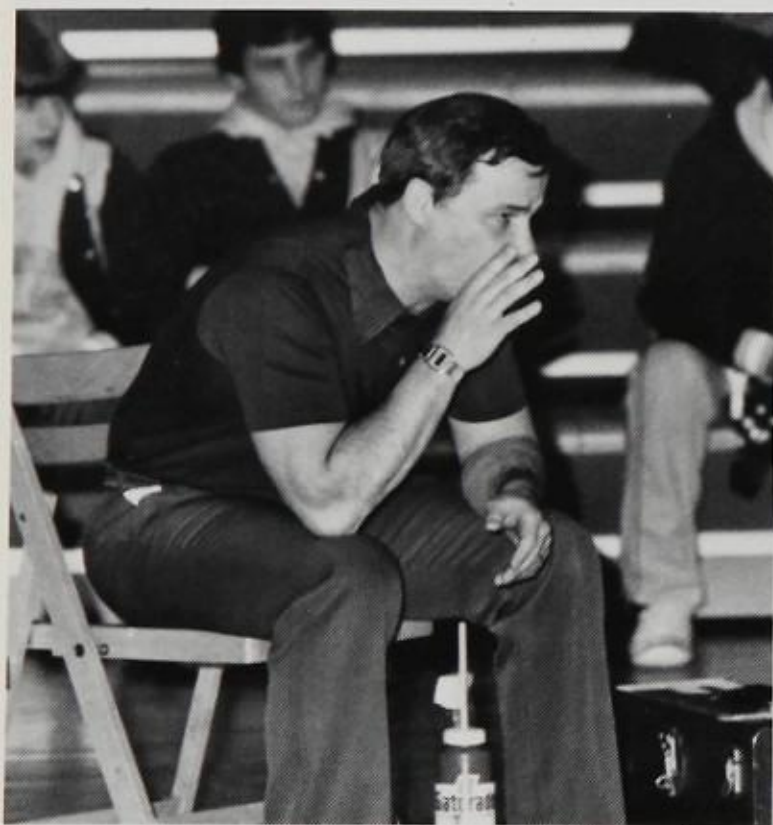

The varsity wrestling team went 15-0 in dual meet competition. The team captured second place in districts, "just missing first", placed seventh in regionals and seventeenth in state.

Bruce Hamed, at 105, placed fourth in the state and Renardo Managan, at 175, placed fifth. Nick Parasson also competed in state competition. Dave Gerber, at 126, John Mullin, at 155 and Chris Bender at 185, competed in the regional meet. David Gerber was voted most valuable wrestler.

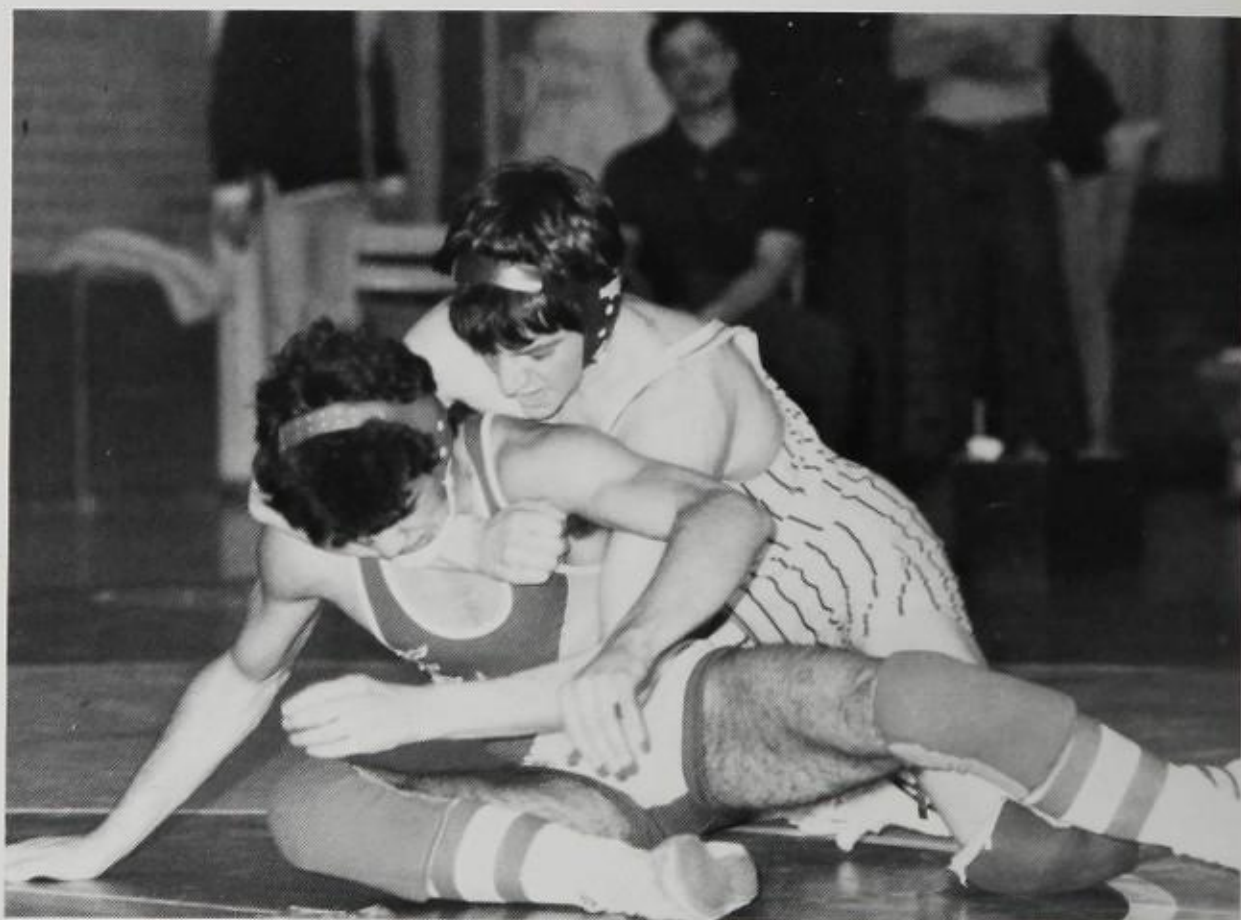

The whole school benefited from the wrestling team's outstanding accomplishments. Principal Robert Hatherill decided to give all a free day and on February 22, at an assembly honoring the wrestlers, Coach Laubaugh was presented a plaque by Mr. Fred Shuett, curriculum specialist in the Akron Public Schools.

Jungle Love Turns Everybody On

For 1985, "Jungle Love" was the theme given to the annual Valentine's Court Gala. Right down to the souvenirs (each couple recieved a palm tree with hearts plus the couple's name in calligraphy!), the festivities were relentless. By tradition, Firestone's girls had to get up enough nerve to ask the guys of their choice to the dance. This year, J. Pugh crowned J. Shoenfelt king. WKDD's Tom Sullivan was on hand to spin the turntables, and this year's musical selections ranged from "Shout" (the classic oldie!) to Prince, with the Valentine's Court being introduced to the tune of "Almost Paradise." This year, like every other year at Firestone, the Valentine's dance captured hearts.

Beware Of Falcon Infested Water

The 1985 boys' swim season was a new start for an old tradition. Coached by Ed Burnsed with Kim Lintner assisting, the boys fought hard to retain the swim team's traditional ways. The district meet showed the falcon swim team at full strength. In the 200 medley relay, the team of S. Chiles, J. Osborn, B. Niedrich and S. Mann captured the district title. W. Ritchey placed 2nd, and J. Burnsed placed 3rd in the 200 Freestyle. J. Burnsed placed 2nd and M. Kramer placed 5th in the 500 freestyle. S. Mann finished 3rd in the 50 followed by S. Chiles finishing 4th. In the 100 freestyle W. Ritchey placed 3rd and R. Kahn finished 4th. S. Chiles backstroked himself into a fourth place position. J. Cohn won the 100 breaststroke and J. Osborn came in a strong third. The 400 freestyle relay team of R. Kahn, S. Mann, T. Wilcox and W. Ritchey topped off the meet by winning. Besides being victorious, the team advanced eight swimmers into twelve different positions at the state championships.

The team, looking to better last year's finish of 4th, psyched themselves up and headed for state. The Medley relay finished third after having to go through the ordeal of having to swim it twice due to officiating difficulties. W. Ritchey placed 9th in the 200 freestyle and received a 3rd in the 100 freestyle. S. Chiles won the consolation heat in the 50 freestyle and placed 7th along with S. Mann placing 11th. S. Chiles came away with a 5th place finish in the 100 backstroke. The team finished the 1985 season with a third place finish from the 400 freestyle relay. As a whole, the team finished as the second runner-up in the state. The captains J. Osborn, S. Chiles, A. Edmonson, And S. Mann, with the rest of the swim team would like to say farewell to an unforgettable season.

Girl Swimmers Impress All

The 1984-85 girls' swim team had many accomplishments this year. They worked hard under coaches Burnsed and Kim Lintner, so hard that they came in fourth place at the district championships. Incoming freshmen D. Davies, J. Batizy and K. Focht combined with seniors B. Klug and K. Hannon showed speed and talent. The medley relay team (Focht, Hannon, Davies, Klug) placed second at districts and earned themselves eleventh at state. The 400 freestyle relay (Focht, Davies, Batizy, Klug) also placed second at districts. B. Klug also went on to win the 50 freestyle at districts, which placed her in three events at state. However, there are more people that deserve credit for their work. The captains S. Gagnon, K. Hannon and B. Klug proved to be a tough act to follow. They were strong in spirit as well as talent. The hardest-working girls should be recognized: J. Batizy (9), A. Wendelken (10), L. Richard, J. Butcher (11), and S. Gagnon (12). These girls always gave as much as they had. The most valuable swimmers were seniors K. Hannon and B. Klug. All the girls deserve a hand.

Diving To Perfection

The 1984-85 diving team coached by George Cooney was certainly filled with talent, and not one of them was a senior. J. Butcher and her sister Nancy showed that talent runs in the family. J. Butcher placed fourth at districts, while N. Butcher placed sixth. At state J. Butcher went on to beat the three girls who placed before her at districts. She came in 12th overall in the state. C. Harvey also did exceptionally well at districts; she placed 16th while freshman Laura Lumenello placed 23rd. J. Butcher put in as much time, effort and points as the other swimmers; therefore, she shared the honor of hardest worker with L. Richard. Next year should produce even more honors from these girls.

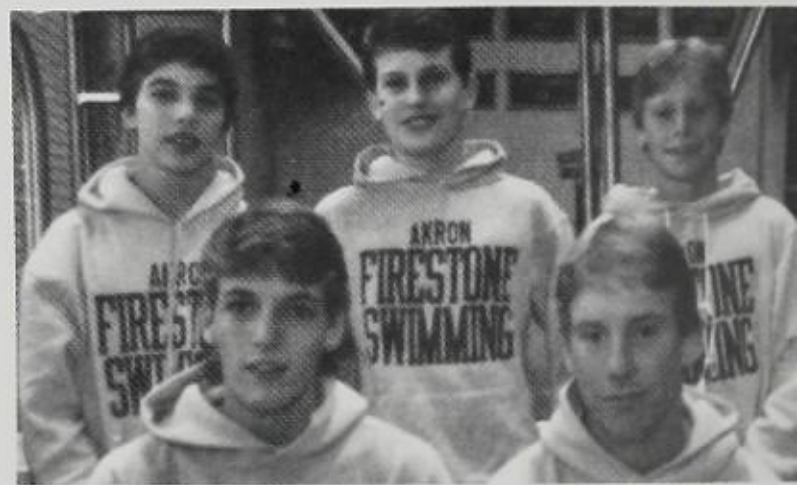

The boys also did very well. Despite an injury late into the season D. Goodwin placed 9th. He had only two weeks to prepare from his break. J. Mercer came in 14th in the district competition. Having such a young team they will gain experience; there is more to come from this team.

Commons Was Setting For The Cabaret

On the nights of May 17 and 18, 1985, at 7:30 pm, Firestone's Commons was ablaze with light and filled with talent during the two performances of the spring musical cabaret. "An Evening in Paris" was the name given the show, since tables were laid out in the Commons as if in a sidewalk cafe in Paris, France. Light snacks and a variety of entertainment were provided for guests.

The show followed a chronological format, as songs from the 20's through the 80's were performed. Presentations varied from solos to duets, dances, and piano compositions. Thus there was something for everyone.

Through The Decades

Firestone High School presents the 1985 Catalina Club.

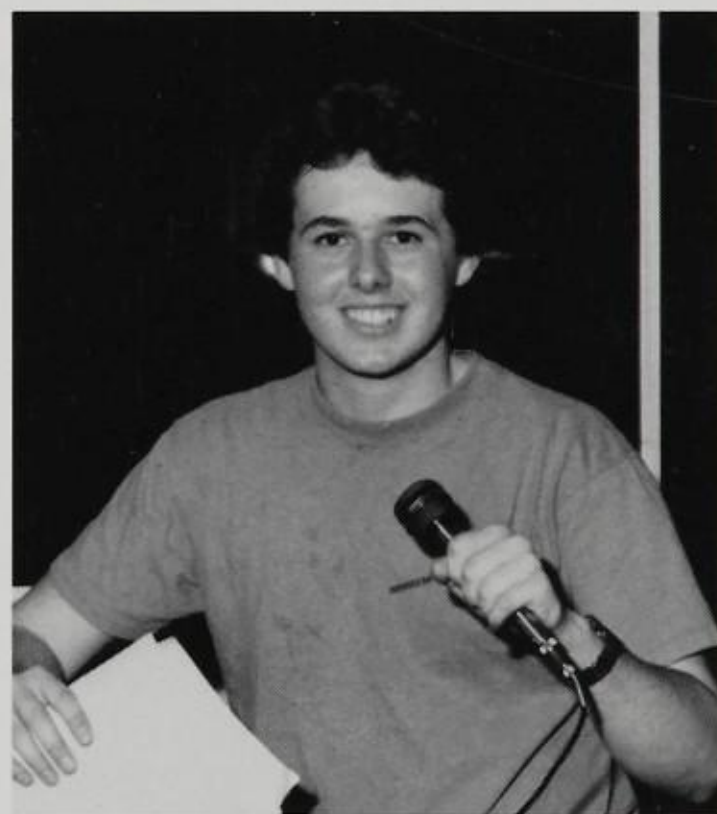

This year's Catalina Club staged another fantastic show on April 26 and 27. The exhibition of synchronized swimming was entitled "Diving Through the Decades." Music fads from the 1920's to the year 2001 were portrayed in a series of aquatic maneuvers. One of the most popular numbers was the "1930's" in which this year's officers-Beth Klug, Mary Beth Shriver, Gail Godard, Sue Dettling and Cathy Shaw swam to "Over the Rainbow." Other routines used such songs as "Stayin' Alive", "Against All Odds", and "1999." An unexpected highlight was the senior guys dancing and swimming to the tune "Just A Gigolo." Mrs. Judy White, once again, was the faculty advisor.

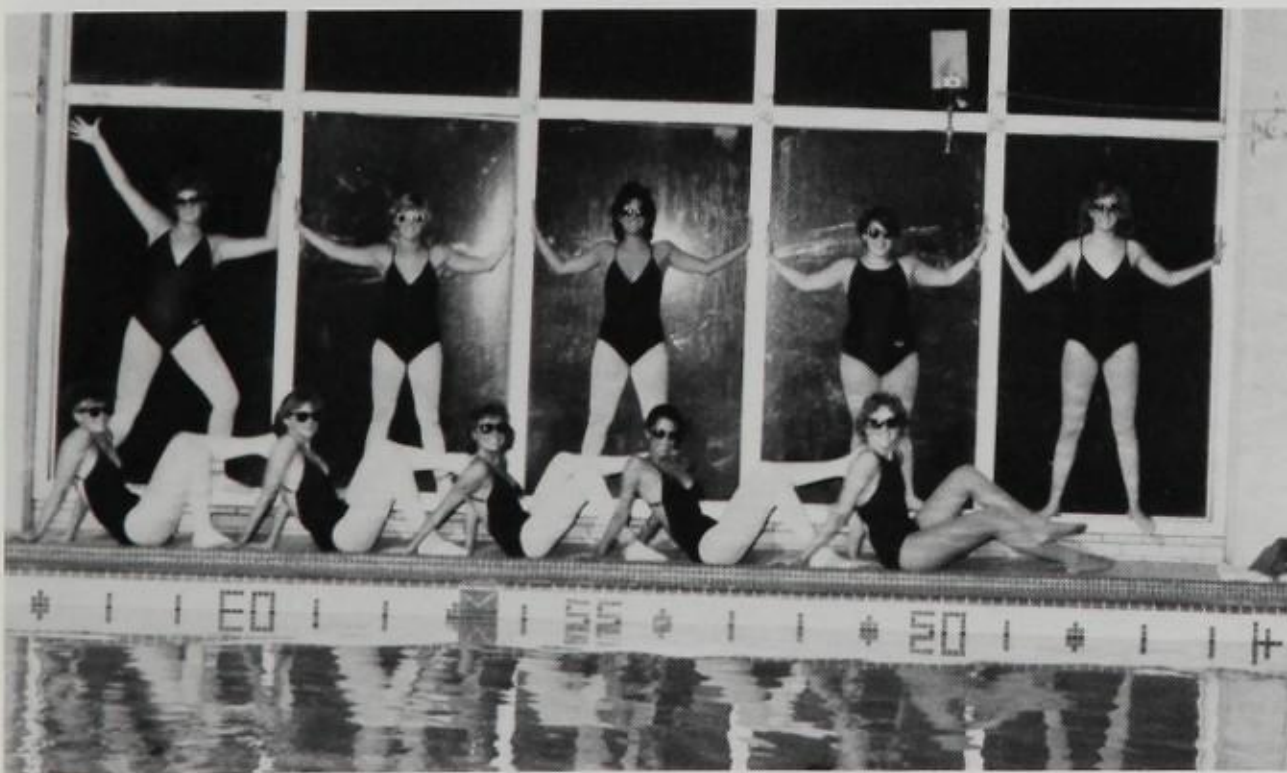

E. Oyenque, S. Mann, S. Parker, and J. Osborn (not pictured) were just gigolos.

Rockin' around the clock in the 1950's were C. Starnier, B. Klug, P. Levinson, A. Wilson, C. Nelson and M. Shriver.

The Catalina Club's commentator S. Petersen works behind the scenes.

1985 Green & Gold Revue

A Big Success

The 1985 Green and Gold Revue provided a spectacular evening of entertainment for the entire audience on April 12. Styles of music ranged from classical to jazz to rock n' roll, but the forms in which it was presented differed even more. There were rappers, rock bands, singers, dancers and pianists who accommodated the varying tastes of a very excited crowd. Each act was excellent. For the grand finale the cast and audience sang "We Are the World."

Mistress of Ceremonies Treschelle Costa and Masters of Ceremonies Kirk Shelton, Victor Feliciano, and Jim Shoenfelt provided terrific introductions and maintained a good pace for the show. Charles Rutledge and Pam Larkins directed the show, but it could not have been possible without the valuable coordination of Mrs. Crooks and Mrs. Lenda Smith. These people truly helped to make it an enormous success.

D. Fromby and J. Holley of "Reflection" sing and dance to the beat.

P. Hodoh shows off on stage during her group's song.

A. Stux delights the audience with his prize winning composition.

They're Chosen For Achievement

Late in the 1983-1984 school year, Mr. Hatherill and a committee of faculty members instituted a new student award called "Falcon of the Month". To be eligible for this award, students from each grade level had to display qualities of good citizenship, service to school and community, participation in activities, good grades for the previous grading period, and good records of attendance. Teachers who recognized these qualities in their students nominated them for consideration. Each month several students in each grade were asked to complete applications, which were then reviewed by Mr. Hatherill and the committee. One student per grade was selected for the honor every month. Those who had applied but were not chosen remained in consideration for following months. Falcons of the Month were photographed and their pictures and comments about the award were mounted in a showcase in the Commons.
